TO THE CHAIRMAN

ASSOCIATION "SILVANO MASTRAGOSTINO" – GENOVA, ITALY

REF: APPRECIATION FOR YOUR MEDICAL SERVICES AND SUPPORT.

Accept, please, our sincere gratitude as the family of Naromoru Children's Home.

We would like to salute and honour the founder of your Association, the Professor Silvano Mastragostino, and appreciate his great work for us children of Kenya.

Our appreciation to the successors of Prof. Mastragostino, the Doctors who come to Naromoru: Boero, Frediani, Porta, Basso, Mantero, Pizzetti, Picenni and other Doctors in the previous years: the surgeries they performed have change the life of many kids in Kenya and have give them hope to face the world.

Gratitude and thanks to the Management of the Association, to all the Members, to all Donors, who in various ways contribute to improving living condition of so many children in Kenya.

May the Almighty Father bless the work of your hands abundantly.

Yours faithfully

Children of Naromoru
